Total Cost: \$1260 (based on 4.5 hours of clinical time)

Q: Do I need a referral for an assessment?

A: No, individuals can self-refer to Brilliant Minds Psychology for any assessment.

Q: Am I able to receive a medicare rebate for assessments offered at Brilliant Minds Psychology?

A: Unfortunately, Medicare does not currently provide rebates for cognitive/behavioural assessments. However, if you are doing a comprehensive Autism Assessment and have been referred by a Paediatrician, you will be eligible to receive a rebate of \$93.35 for up to 4 sessions if a specific referral for an autism assessment has been provided.

Q: If I have Private Health insurance, am I able to use my Private Health for assessments?

A: Yes, you may be eligible to claim a rebate from your Private Health insurance provider. However, we do recommend you contact your provider for information regarding whether or not you will be eligible in making a claim for an assessment. The Private Health item number for assessment is 100.

Q: How long will it take until the assessment report will be ready?

A: There is a two to four-week turnaround for all reports as the clinician will spend time after the assessment interpreting, scoring, analysing and writing up the report. If there is a delay in receiving completed questionnaires from parents/guardians and/or teachers, there will be a longer turnaround timeframe. You will be informed of this at the time of booking an assessment.

Q: Can I use NDIS funding to cover the costs of the assessment?

A: We ask that you check your plan to ensure that your NDIS plan covers assessments. It is the duty and responsibility of the participant to ensure that their funding can be used for the purposes of assessment. Please note the fees above are for clients who are paying privately or are NDIS Self-Managed. We are not a NDIA Registered Provider.

Q: Do you offer in clinic assessments?

A: Yes - please ask the client services team to send you the in-clinic packages.

Q: What are your payment methods?

A: Our payment methods are as follows:

- EFTPOS Facilities
- NDIS Self or Plan Managed
- Online Payments
- Direct Deposit
- Afterpay (In-Store Only)

afterpay 

THESE ASSESSMENTS ARE NOT SUITABLE FOR...

Not Suitable For Individuals with the Following Conditions

- Not Suitable for individuals with the following conditions:
- Not suitable for those with a Moderate or Severe Intellectual impairment.
- Not suitable for those who have non-verbal communication.
- Not suitable for
- Acute mental distress or experiencing suicidal ideation.
- Not suitable for -
- Current symptoms of psychosis, and other complex personality disorders
- Not suitable for those with current addiction disorders that are untreated

Additional Costs Not Included

If a clinical psychologist sign-off is required for an NDIS application, an additional rate of \$260 will apply upon request. If an NDIS request form is recommended to be completed by a therapist following assessment, additional fees will incur (approximately 1 hour fee)
